

DISTRICT COURT (THIRD DISTRICT : SALT LAKE COUNTY) [1688]

ESTATE REGISTERS, 1876-1988

103 reels microfilm

DESCRIPTION: These registers constitute a docket or register of actions for Salt Lake County probate cases, ie. those cases involving the estates of deceased persons, the guardianship of minors and the incompetent, adoptions, and name changes. Corporate dissolutions appear intermittently around the turn of the century.

For each case, the register records the dates of individual actions. Actions include the filings of petitions, bonds, inventories, claims, etc. and the issuing of orders, reports, and decrees. Each action is briefly stated, in a single line. The name of the principal individual (deceased, minor, etc.) and the name of the attorney is noted. The case number and the reference for the SALT LAKE COUNTY PROBATE RECORD BOOK are also noted.

ARRANGEMENT: The registers and entries are arranged by case number, and thereby chronologically. Volumes are labeled alphabetically. If an entry required more than a page, the case is continued on pages near the end of the book, or rarely, in a different volume.

RESEARCH NOTE: Minimal information is provided directly by these registers, however they do make a useful finding aid for SALT LAKE COUNTY CASE FILES, PROBATE RECORD BOOKS, and PROBATE DIVISION MINUTE BOOKS. The name of the individual should be found in the indices in Series 17611, PROBATE RECORDS INDEX and the case located in the register. The register then provides a case number to locate more information in the case files, a reference (or from 1920-1929 the case number) to locate more information in the record books or case record books, and dates of actions to locate more information in the record books or in the court minutes.

RELATED RECORDS: The PROBATE RECORD BOOKS, Series 3372, offer more extensive and detailed information on the cases and actions recorded in these registers. The PROBATE CASE FILES for the county, Series 1621, also should be consulted for further details on these cases. The MINUTE BOOKS, Series 3938, give a brief description of the actions recorded in these registers. PROBATE RECORDS INDEX, Series 17611, provides a name index giving a volume and page in these registers.

CUSTODY HISTORY: The registers were begun by the Salt Lake County Probate Court. Probate courts were abolished when Utah became a state in 1896, and these registers were continued by the Probate Division of the Third District Court in and for Salt Lake County.

PROCESSING NOTE: The registers were filmed by the L.D.S. Genealogical Society in spring, 1966. If a single volume is split between two reels of film, the end of one reel and the beginning of the next will slightly overlap; the duplication is not noted in the container list. Archival processing completed in 1989 by A.C. Cone. Estate Registers Z-1 through U-5 were transferred to the Archives in May 1997. Additional volumes were filmed in 1998 and the series inventory was updated by David Clark in November 1998.
